meeting, which will be at Weldon, N. for Roanoke to attend the fair in proc C., September 28th, is to arrange place and question for debate.

Wake Forest College now stands as conqueror of practically the entire South, having met and defeated, Trinity College, Richmond College, Furma University and Mercer University, and is now thirsting for Randolph-Macon's scalp. Pinkerton detectives had been engaged, and explained that this course was deemed necessary in consequence of the day and night features, and the fact that in view of the extraordinary attractions that will be presented this year a great influx of strangers is expected, and the regular police force of the city and the Special officers of the fair will require the assistance of the tried and experienced Finkerton men.
